This change looks good to me. Put the original on my desk in Hawkesbury and I will sign when I am there in May.

Good morning David,

I did a hand change on D3469 drawing.

The parts list on page 2 calls for (4) D3470-5 Plate Valve. That P/N and quantity should only appear on the parts list on page 1. Kim scanned the first 2 pages of D3469 for your review.

Until you can signed the hard copies, is it possible to use your reply to this e-mail as a temporary approval so I can release ECN #796?

anks!

Marc
